## COVID-19 SAFETY MEASURES

The safety of our visitors and colleagues is our number one priority. To help keep everyone safe, we've implemented a number of measures and changes to the Studio Tour experience. The updates are designed to prioritise social distancing and enhanced cleaning.

On arrival to the Studio Tour, a member of our team will meet you at our coach park. The lead teacher should exit the coach when the member of staff arrives, and pass any information given by our staff to students and other adults.

You will be asked to organise yourselves into groups of no more than **6 people**, with at least one adult in each group. It is your responsibility to ensure that there are enough adults in your group to facilitate this. You should remain in these small groups throughout the tour and not form bigger groups. Students should be told in advance of entering the Studio Tour which group they will be in. All students under 16 must be supervised by their responsible adult at all times. Please respect social distancing rules by staying two metres away from other visitors.

All visitors aged 11 and up are required to wear a face mask or covering during their visit, unless medically exempt. Visitors aged eight and up are encouraged to wear a face covering. Masks must be kept on at all times except when eating and drinking, and should not be removed to take photographs.

Storage will not be available for bags or lunchboxes, so please advise students to only bring what they need as they will carry this with them throughout the Studio Tour.

Packed lunches may be eaten at the picnic area in our coach park, the Food Hall area of the lobby and in the Backlot – Test and Trace will be in operation. Separate lunch areas for schools will not be available. We are currently accepting card payments only in our shops and cafés so students should not bring cash.

Enhanced cleaning will be in place throughout the Studio Tour, including in our classrooms. Certain aspects of lessons may not be available in order to eliminate touchpoints.

If any staff or students feel unwell on the day of your visit they must not attend the Studio Tour.

## LESSON INFORMATION

Our lessons meet national curriculum objectives and outcomes and exam board specifications. They are taught on-site by fully qualified teachers, are delivered in English and are designed for fluent English speakers. You will be able to download free pre- and post-lesson teaching resources to support your visit. Please visit our [website](#) to discover further information on our free, award-winning education programme.

## STUDIO TOUR MAP

## STRUCTURE OF THE DAY

If you have a pre-booked lesson (these are subject to availability – book early to secure your preferred date) the Learning Team will meet you before you start the tour. Lessons last 45 minutes and you will be taken back to the lobby to begin the tour after the lesson. If you have concerns about time, we can tailor the lesson to meet your requirements.

The Studio Tour has three sections: J Stage, the backlot and K Stage. You will enter J Stage from our lobby and the flow of the Studio Tour is one way.

The guided part of the Studio Tour takes place at the beginning of your visit (in the holding room, cinema and Great Hall). Once you leave the Great Hall, the Studio Tour is self-guided and knowledgeable staff members are on hand to answer your questions.

In J Stage there is a greenscreen broom ride experience. Your students will receive a free digital download of their photograph on the broom. Your students are also eligible to purchase a hard copy photograph on the broom at a discounted schools rate.

There is an outdoor seating area in our backlot which is used by all visitors and can be used by students for their packed lunches. Please ask your students to bring their lunch in a recyclable bag or lunchbox. Recycling facilities are available throughout the backlot.

After the backlot you will enter K Stage which exits into our Studio Tour shop, where you will have the opportunity to purchase a wide array of merchandise – please note, card payments only. Please ensure that all students are accompanied when they enter the Studio Tour shop. Any unaccompanied students will be asked to wait for a teacher/adult.

## FAQs

### **Where do the lessons take place?**

We have a dedicated onsite classroom which holds up to 75 students.

### **How long does the lesson last?**

Lessons last for approximately 45 minutes. Lessons are available at 9:30am, 10.30 am, 11.30 am, 12.30pm and 2.30pm.

### **Will I automatically receive a lesson if I book a visit?**

No – our lessons are very popular and are subject to availability, so please book early if you would like to include a lesson in your visit.

### **How long should we allow for our visit?**

We recommend three and a half hours without a lesson and four and a half hours with a lesson.

### **Does the Studio Tour cater for students with special needs?**

Yes. All our lessons are differentiated and workshop-based. Our teachers are experienced in teaching across a broad spectrum of abilities and age groups. There are some dark spaces and special effects smoke in the Studio Tour. If you would like to avoid these areas, please ask a member of staff. A sensory room is located within the Studio Tour for any students needing a quiet space. We are also service dog friendly. The majority of the Studio Tour is suitable for wheelchairs but some areas can be difficult to navigate, this includes Diagon Alley's cobbled street and the Great Hall's slate floor. The Hogwarts Bridge can only be accessed via a short staircase and alternative access cannot be provided because the bridge, as an original set piece, has an uneven surface which is unsuitable for wheelchair users. The Knight Bus also has a short boarding platform which cannot be accessed by wheelchairs.

A Changing Places facility is located at the entrance to the Studio Tour, just after the security check.

### **Is there an area to eat our lunches?**

There is a picnic area that schools can use prior to entering the Studio Tour or when leaving. This is not under cover. There is an outside seated area in the backlot to have packed lunches with other visitors.

Please ask your students to put their lunches in a disposable bag.

### **Can we pre-order lunches at the tour?**

You can pre-order Knight Bus lunch boxes for your students whilst you are at the tour. To create a pre-order please email [penny-lynsey@aramark.co.uk](mailto:penny-lynsey@aramark.co.uk) where you will be able to discuss your order further.

### **Can we take photographs?**

Yes, you and your students can take as many photos as you like. You are able to film the sets, props and costumes, but not the media that is running inside the Studio Tour.

### **What happens if I need a first aider?**

We have a first aid room located in J Stage and there is always a first aider on duty.

### **What happens if there is an emergency?**

Our staff are trained in dealing with emergency situations. Please follow instructions of staff – in the event of a building evacuation you will be directed to a muster point and shown back to the same place you left, when safe to do so.

### **How should my students behave?**

The Studio Tour is a public visitor attraction, so you are required to supervise your students at all times. If the behaviour of anyone in a school group adversely affects the safety or enjoyment of other students or visitors, they may be asked to leave.

### **How can I leave feedback about my visit?**

We welcome all feedback and we will provide feedback forms in the classroom if you have a lesson. Alternatively, please speak to a member of staff at the Information Desk at the end of your visit where you can fill in a feedback form or you can review your experience on TripAdvisor.
