Harry Potter

VEGAN AFTERNOON TEA

MOLLY WEASLEY'S SANDWICH SELECTION

Throughout the Harry Potter stories, there weren't many situations that Molly didn't think a plate of sandwiches would help with. However, these aren't Ron's squashed corned beef sandwiches from the Hogwarts Express. Our creations capture the essence of her character - infused with the same warmth and love that she so effortlessly exudes.

Sliced cucumber on spinach bread

Vegan smoked 'salmon' with a vegan lemon butter on lemon bread

Roasted peppers & courgette with houmous on tomato bread

Vegan cheese & pickle on dark cocoa bread

SAVOURY BITES

The Burrow Cucumber Cup

Cucumbers were often grown in the Weasley's vegetable patch. This cup is filled with a whipped beetroot and vegan feta mousse, with a sprinkling of granola seeds.

Common Room Sausage Roll

Vegan sausage surrounded by herby flaky pastry. A snack so quintessentially British that it was eaten in the Gryffindor common room when the students celebrated Harry's triumph in the Triwizard Tournament task.

Vegan Smoked 'Salmon' on Beetroot Waffle

Delicate vegan 'salmon' layered on a beetroot waffle, adorned with velvety cream cheese & samphire. Inspired by the tastes of the Highlands, Minerva McGonagall's homeland and the backdrop for Hogwarts castle.

SWEET TREATS

Peppermint Toad

Inspired by the whimsical hopping treats found in Honeydukes, this rich chocolate mousse is infused with a hint of peppermint.

Follow the Butterflies

This chocolate sphere has a vibrant passionfruit caramel centre and is adorned with a dark chocolate butterfly. We agree with Ron - butterflies are better than spiders.

Welcome to Hogwarts

Your Hogwarts acceptance letter will finally arrive...in the form of an Earl Grey shortbread cookie embellished with fondant.

Pack-a-Punch Pastille

Inspired by the sweets and treats sold in Weasleys' Wizard Wheezes, this jellied fruit pastille is bursting with zesty lemon & orange.

Butterbeer Rock Cakes

Mix Hagrid's rock cakes with the essence of Butterbeer, and voila— a twist on the classic British baked treat. Accompanied with Butterbeer-infused vegan cream & jam.
