

# RETURN TO AZKABAN ACTIVITY TRAIL

A Boggart takes on the shape of someone's worst fear. Ron Weasley's Boggart takes the shape of a giant spider, but when he casts the 'Riddikulus' spell, the spider has roller skates on to make him feel less frightened. Now it's time to create your own! Please draw your Boggart below and then cast the 'Riddikulus' spell. How will you change it to make it amusing?
