

MAGICAL MISCHIEF Trail

WELCOME TO HOGWARTS!

NAME

SCHOOL

HOGWARTS HOUSE

- 1) How did filmmakers create the effect of fireworks in the Great Hall?
Listen to the speech in the Great Hall

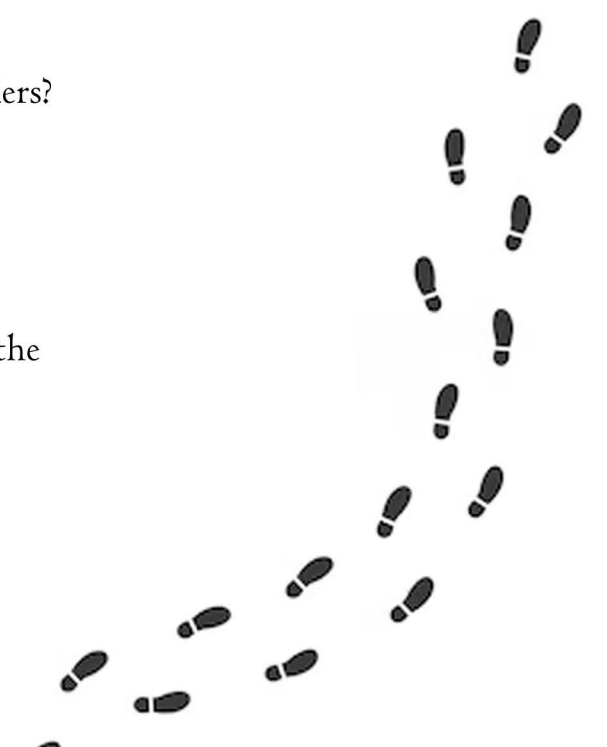

- 2) Professor Umbridge wears a lot of pink clothing even though she is a very unlikeable character. Why did filmmakers do this?
Listen to the speech in the Great Hall

- 3) How did filmmakers create the illusion of Fred and George Weasley flying? Ask an Interactor

- 4) Who are the four Marauders?

- 5) Who does Harry receive the Marauder's Map from?

6) How did filmmakers create the Marauder's Map? Ask an Interactor

7) The Monster Book of Monsters causes mischief in Harry's room at the Leaky Cauldron. How did filmmakers create the Monster Book of Monsters?

8) How did filmmakers create the invisibility cloak that allows Harry to follow the footsteps on the Marauder's Map? Watch the demonstration

9) How did filmmakers create the effect of Harry's Hogwarts Acceptance Letters coming through the letter box at Number 4, Privet Drive? Watch the demonstration

10) Dobby causes mischief for Harry when he turns up at Number 4, Privet Drive. How did filmmakers create the effect of the flying cake which he drops on Mrs. Mason? Watch the demonstration

16) How many versions of Aunt Marge's costumes were created for this scene? Ask an Interactor

17) How was Dobby the house-elf created?

18) In Gringotts Wizarding Bank, a dragon crashes through from the vaults and flies out through the ceiling. How was the dragon created? Ask an Interactor

19) In Diagon Alley, Fred and George Weasley's shop, Weasleys' Wizard Wheezes stands tall. It was only seen on screen for 90 seconds. How many products were created to fill the shop? Ask an Interactor

20) You can see a variety of different products on display at the Weasleys' Wizard Wheezes shop. What is your favourite product that you can see? Why not ask an Interactor for more information about the products on display?

11) In *Harry Potter and the Chamber of Secrets*, Harry and Ron are too late to get on the train to Hogwarts, so they use Ron's father's magical flying car. How did filmmakers create the effect of the flying car?

12) How did filmmakers create the Cornish pixies that lift Neville up in the Defence Against the Dark Arts classroom? Ask an Interactor

13) Who receives a Howler in the Great Hall?

14) How did filmmakers create the effect of the Howler moving? Ask an Interactor

Activity 1: Make sure you visit Platform 9 3/4 and create your own Howler

15) How did filmmakers create the effect of Aunt Marge floating away after Harry casts the inflating charm on her? Ask an Interactor

Activity 2: Imagine that you own your own joke shop. Create one product that you would include in your own shop!
