

7) What does Luna Lovegood’s Slug Club Christmas party dress resemble?

Activity 1: 2. Design your own outfit that you would wear to Professor Slughorn’s Slug Club Christmas party.

8) How long did it take to create Luna’s Slug Club Christmas party dress?  
(Ask an Interactor)

14) In Harry Potter and the Prisoner of Azkaban, George and Fred Weasley are building a snowman in the courtyard when they notice invisible footprints appearing in the snow. They soon realise it’s Harry using his Invisibility Cloak and give him something to help him stay undetected. What do they give him?

15) The set for Diagon Alley was used for which other set?  
(Ask an Interactor)

16) How do filmmakers make it look like there are footprints in the snow?  
(Ask an Interactor)

17) How many types of snow were created for the film series?  
(Ask an Interactor)

18) How did Model Makers add snow onto the castle and how long does it take them to do?  
(Ask an Interactor)

9) In Harry Potter and the Philosophers Stone, Harry Potter receives the Invisibility Cloak for Christmas. Who sends him this present?

10) How did filmmakers create the Invisibility Cloak effect on-screen?  
(Ask an Interactor)

11) What Christmassy characters are on the top of the Christmas cake in The Burrow kitchen?

12) When looking in the Burrow, you can see Molly Weasley’s knitting needles hard at work. They are also used to create Harry and Ron’s Christmas jumpers. How did filmmakers create this effect?  
(Ask an Interactor)

13) The Death Eaters interrupt Christmas at the Burrow and eventually destroy it in Harry Potter and the Half-Blood Prince. How did filmmakers achieve this?  
(Ask an Interactor)

Activity 2: Design your own Christmas tree with decorations.

# WELCOME TO HOGWARTS!

NAME

SCHOOL

HOGWARTS HOUSE

1) Which magical being is used for the Christmas tree toppers?

2) How are the Christmas puddings set on fire? (Ask an Interactor)

3) How did filmmakers create the food that you can see in the Great Hall?

4) In Harry Potter and The Goblet of Fire at the Yule Ball, we see an elegant ice sculpture. How did filmmakers create the ice sculpture? (Ask an Interactor)

5) Who does Hagrid dance with at the Yule Ball?

6) Hagrid's dance partner is very tall! How was this effect created? (Ask an Interactor)
